RE: Project No. 12632 – East Texas Electric Cooperative
Lake Livingston Hydroelectric Project – Texas
Transmittal of Pre-Application Document

Dear Secretary Bose:

Pursuant to section 5.6 of the Commission's regulations, 18 CFR § 5.6, the East Texas Electric Cooperative, Inc. (ETEC) hereby submits its Pre-Application Document (PAD) for the original licensing of the Lake Livingston Hydroelectric Project (Project).

As required by the Commission's regulations, the PAD is being sent to all federal and state resources agencies, Indian tribes, local governments, and members of the public likely to be affected by or interested in the Project. The list of recipients is included in Appendix A of the PAD.

Concurrently with the filing of the PAD, ETEC is also submitting (1) a Notice of Intent to File Original Application for License, pursuant to section 5.5 of the regulations, and (2) a Request for Authorization to Use Alternative Licensing Procedures under section 4.34(i) of the regulations.

Thank you for your assistance. Please contact the undersigned counsel for ETEC with any questions about the subject filings.

Respectfully submitted,

William H. Burchette
